NOTIFICATION FOR STUDENTS OF UG COURSES TAUGHT IN AFFILIATED COLLEGES

I am directed by the Honourable Vice Chancellor to inform all the students of UG courses taught in the affiliated colleges that the University with its limited resources has been sincerely catering to every need of the students as far as practicable. In spite of this empathic attitude on the part of the University some students from some colleges are frequently raising ruckus in the University and jeopardising the activities of the University. They are doing this without trying to resolve their issues in consultation with the respected Principals of their colleges.

Under such circumstances all the students of UG courses of affiliated colleges of Kazi Nazrul University are instructed to submit their prayers/grievances, if any, to the University only through the respected Principals of their colleges so that their prayers / grievances can be taken care of properly. The students can send their prayers / grievances to the Grievance Redressal Cell headed by the Honourable Vice Chancellor (grievanceredressal@knu.ac.in) only if their issues are not resolved even after consultation with the respective Principals, who are supposed to be in constant touch with the students.

Direct access of the students to the University for resolving their issues bypassing their respective Principals will not be entertained.
