- More than the required number of classes has been allotted for both Regular & Honours courses of all three years. The HODs are to adjust the classes according to their requirement and convenience
- A copy of the departmental routine, along with the names of the Professor taking the classes needs to be provided to the Routine Committee for the collation of the master routine along with the room numbers. The extra classes (which have been provided in the routine but are not required by the departments) should be deleted from the departmental routines.

The departmental Routines need to be submitted to the Routine Sub-committee within 17.07.17

Looking forward to your kind co-operation and suggestions.
